PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number    Nature of Noncompliance1    Special Condition: The defendant shall participate as instructed by the probation officer in a program of substance abuse treatment which may include testing for substance abuse.Supporting Evidence: On June 7, 2011, Hipolito Castillo failed to report to Merit Resource Services (Merit) for a scheduled urinalysis test.

On June 6, 2011, the defendant reported to the U.S. Probation Office and was referred to Merit for urinalysis testing and substance abuse treatment. Mr. Castillo was directed to begin calling the urinalysis color line starting on June 7, 2011. The defendant was advised that if his color "white" was called he would need to report to the Merit office that same day to submit a urinalysis test. On June 7, 2011, the defendant called the color line as directed, but failed to report for his scheduled urinalysis test that same day. On June 8, 2011, he reported to the U.S. Probation Office and related the reason he failed to report for his scheduled urinalysis test was because he believed his urine sample would test positive for methamphetamine.
